London

The capital is an exciting city with so much to see and do and the home of some of the UK's best sights and attractions, it's hard to narrow down reasons to visit but here's a selection for you.

Look down and across London from the London Eye; meet a celebrity at Madame Tussaud's, be face to face with a dinosaur at the National History Museum or view the most precious treasures at the British History Museum.

London also attracts some of the biggest sporting events in the world, see a match or take a tour of one of the capitals sporting venues: Chelsea's home grounds 'Stamford Bridge', 'Lord's Cricket Ground' or 'Wimbledon Lawn Tennis Museum'.

Alongside the many museums, it is also home to long running musicals, classical plays or brand new works making their West End debut.

The Thames flows through Central London and provides a stunning backdrop to many of the city's top attractions. River tours / bus services are a great way to beat the traffic whilst enjoying the wonderful views.

Wish to do some shopping? Then you are spoilt for choice from Oxford Street to gifts and bric-a-brac at London's markets. Shop in Europe's largest centre at Westfield Stratford or browse around a more iconic department store such as Harrods or Selfridges.

It doesn't matter how many times you visit, there is always something different to experience in London.

The difficult choice is where to start first and how many days you would like your trip too last, once you crack this then we can design an itinerary based around your requests to suit you and your group.

Scotland

Our 5 day programme is based at the heart of Scotland in Perth, a consistent winner of the Beautiful Britain award.

Our standard itinerary includes a visit to the Glamis Castle & Gardens - the 14th Century home of the late Queen Mother, visit to Stronachlachar on Loch Katrine, boat cruise on Loch Lomond and a full day in Edinburgh including an afternoon visit to explore the Royal Britannia Yacht at Leith Docks. (Full Edinburgh programmes are also possible see below).

As with all our visits programmes can be tailor made to suit your groups requirements.

Edinburgh

The capital of Scotland and award winning cultural destination. With its rich combination of venues and activities there is plenty to do for everyone from the more traditional to the contemporary and somewhat lively.

It is particularly poignant for students studying history or art, as the city has two main districts, the Old Town housing the spectacular medieval fortress, and the 'neoclassical' New Town featuring stunning post 18th century European urban architecture.

The National War Museum takes you back through over 400 years of Scottish military experience and is set in no other than the breathtaking Edinburgh Castle itself. Alternatively a trip to the Edinburgh Dungeons will provide a unique and memorable experience.

For extended trips there is plenty more to stimulate the mind with a treasure trail, The Imagination Workshop and even Edinburgh Zoo, making this an ideal destination for anyone.

Oxford

With its medieval skyline of church spires, cobbled streets snaking through the town and stately gardens adding a touch of greenery, this is a city that perfectly blends old English charm with modern shopping streets and a cutting-edge arts scene.

Perhaps the most famous landmark is its world renowned University dating back to 1906, with an alumni that reads like a roll-call of history's most notable literary science & political figures - C.S. Lewis, J.R.R. Tolkien, Tony Blair and even Albert Einstein, have all walked the halls at some point.

Beyond the 38 colleges and numerous museums including the Ashmolean Museum (founded in 1683, making it the oldest in the UK), there are an abundance of cafés, shopping streets to wander round not forgetting the exquisite Botanic gardens dating back to 1621. Harry Potter fans will be keen to note the film set location for the now-legendary Hogwart's Hall 'Christ Church College'.

If your travel during the summer months you can even try your hand at punting along the Cherwell River.

Bath

Relax in one of the world's most beautiful cities, nourished by natural hot springs.

Bath offers a unique experience with stunning architecture, great shopping and iconic attractions and the surrounding area is brimming with things to see and do.

Bath has some of the finest architecture sights in Europe: the Royal Crescent, the Circus, Pulteney Bridge. This with the diverse collection of museums and of course the Roman Baths, this compact city centre along with local activities is plenty to keep you occupied.
